

Southeast Missouri Hospital College of Nursing and Health Sciences offers a one-year Certificate in Clinical Laboratory Assistant. This program is designed to prepare students for entry-level positions in clinical laboratory settings such as medical centers and outpatient laboratory facilities

Upon successful completion of the program, students are eligible to take a national certifying examination for Clinical Laboratory Assistants. The graduate will possess entry-level skills in laboratory science including phlebotomy, waived testing, reagent preparation, quality control, donor criteria, and specimen processing and handling.

College Mission

To respond to the healthcare educational needs of the region by preparing qualified healthcare professionals.

Accreditation

The College is regionally accredited by the Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604.

Financial Aid

Grants and loans are available to students who complete a FAFSA and qualify. The College participates in additional financial aid programs such as the GI Bill, GoArmyEd, Vocational Rehabilitation, and Trade Act Assistance. Additional Financial Aid information may be obtained from the Financial Aid Coordinator or by visiting our website.

Tuition and Fees

The College charges the same fees for Missouri and non-Missouri residents. A complete current Fee Schedule can be found on our website. <https://www.sehcollege.edu/financial>

Gainful Employment

Gainful employment information will be available once the first class completes this program.

Eligibility Requirements

The following requirements must be met to be admitted to this program:

- GPA requirement (one of the following):
 - ◇ If 18 or more semester hours of college-level courses are completed, overall college GPA of 2.50 on a 4.0 scale plus completion of a high school diploma or approved high school equivalency exam
 - ◇ If less than 18 semester hours of college-level courses are completed, overall college GPA of 2.50 on a 4.0 scale plus high school GPA of 2.50 on a 4.0 scale or completion of an approved high school equivalency exam
 - ◇ If a current high school student, completion of at least the junior year with a high school GPA of 2.50 on a 4.0 scale
- Exam requirement (one of the following):
 - ◇ ACT composite score of 19 or higher taken less than 5 years ago
 - ◇ ATI TEAS score of 54% or higher (if age 23 or older)
- Completion of all immunization requirements
- Clearance on various background checks

Application packets are available on our website at

<https://www.sehcollege.edu/admissions>, in our Admissions Office during regular business hours, or via mail upon request.

Enrollment Requirements

The following requirements must be met after a student receives an acceptance letter but before the student can be enrolled in classes:

- Pay a \$200 seat retainer (non-refundable deposit) which will be applied to your first semester tuition and fees
- Meet with the Dean of General Education
- If currently enrolled in high school or another college or university, send transcripts once final grades are available
- Contact Southeast Occupational Medicine thirty to sixty days prior to enrolling for classes at the college to schedule and complete a urine drug screen and TB skin test. You will not be able to enroll for classes until your health screening has been completed.

It is the policy of Southeast Missouri Hospital College of Nursing and Health Sciences to maintain and promote equal education opportunity. Students and applicants will not be discriminated against on the basis of race, color, ethnicity, religion, national origin, gender, ancestry, marital status, sexual orientation, age, veteran status, or handicap which does not preclude the person from practicing the program profession after graduation and successful completion of the licensure, certification, or registry.

Curriculum

The Medical Laboratory Science program begins twice every year. One group begins in January with a December graduation. Another group begins in June with a May graduation.

Curriculum Courses

All courses require a grade of C or better to be considered passing.

General Education Courses

These courses may be taken earlier than listed on the plans to the left. Students may begin taking general education courses the semester after they complete the admission and enrollment processes.

- AH 104 Introduction to Medical Terminology I (1)
- AH 201 Human Diversity in Healthcare Delivery (1)
- BI 151 Anatomy and Physiology I and Lab (4)
- BI 152 Anatomy and Physiology II and Lab (4)
- ENG 100 English Composition (3)
- FYS 101 College Seminar (1)

Clinical Laboratory Assistant Courses

These courses must be taken in the order listed on the plans to the left beginning with the semester listed in the acceptance letter.

- CLA 100 Introduction to Laboratory Science (1)
- CLA 101 Phlebotomy Skills (2)
- CLA 102 Clinical Laboratory Assistant Skills I (2)
- CLA 103 Clinical Laboratory Assistant Skills II (2)
- CLA 104 Clinical Laboratory Assistant Skills III (2)
- CLA 111 Phlebotomy Practicum (2)
- CLA 112 Clinical Laboratory Assistant Practicum I (2)
- CLA 113 Clinical Laboratory Assistant Practicum II (2)
- CLA 114 Clinical Laboratory Assistant Practicum III (2)
