

Southeast Missouri Hospital College of Nursing and Health Sciences offers a two-year Associate of Applied Science in Nursing degree. Upon completion of this program graduates have met the educational requirements necessary to be eligible to take the national examination for registered nurse licensure exam. (Nurse Practice Act, Section 335.066RSMo).

A registered nurse performs many duties as a member of the healthcare team. These duties include:

- Assessing a patient's condition
- Identifying patient problems or needs
- Working with the patient, family, physician, and other healthcare team members in planning patient care
- Providing treatments for patients as well as teaching patients and families to provide care
- Evaluating treatment plans to determine if additional treatment is needed

College Mission

To respond to the healthcare educational needs of the region by preparing qualified healthcare professionals.

Accreditation

The College is regionally accredited by the Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604.

The A.A.S. Nursing Program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326 and has full approval of the Missouri State Board of Nursing, 3605 Missouri Blvd, PO Box 656, Jefferson City, MO 65102-0656.

Financial Aid

Grants and loans are available to students who complete a FAFSA and qualify. The College participates in financial aid programs such as the GI Bill, GoArmyEd, Vocational Rehabilitation, and Trade Act Assistance. Additional Financial Aid information is available from the Financial Aid Coordinator or our website.

Tuition and Fees

The College charges the same fees for Missouri and non-Missouri residents. A complete current Fee Schedule can be found on our website. <https://www.sehcollege.edu/financial>

Eligibility Requirements

The following requirements must be met to be admitted to this program:

- National League for Nursing Nursing Acceleration Challenge Exam I (NACE I) with a score of 75% or higher
- Copy of LPN license (A current license must be maintained throughout the program. Students currently enrolled in LPN programs have 90 days after graduation to provide a copy of the license. License must be on file before beginning any nursing courses.)
- Completion of all immunization requirements
- Clearance on various background checks
- Official high school transcript showing graduation or completion of an approved high school equivalency exam
- Official transcripts from all colleges, universities, and vocational schools attended

Application packets are available on our website at <https://www.sehcollege.edu/admissions>, in our Admissions Office during regular business hours, or via mail upon request.

Enrollment Requirements

The following requirements must be met after a student receives an acceptance letter but before the student can be enrolled in classes:

- Pay a \$200 seat retainer (non-refundable deposit) which will be applied to your first semester tuition and fees
- Meet with the Dean of General Education to review your credit study
- If currently enrolled in high school or another college or university, send transcripts when final grades are available
- Contact Southeast Occupational Medicine thirty to sixty days prior to enrolling for classes at the college to schedule and complete a urine drug screen and TB skin test. You will not be able to enroll for classes until your health screening has been completed. .

It is the policy of Southeast Missouri Hospital College of Nursing and Health Sciences to maintain and promote equal education opportunity. Students and applicants will not be discriminated against on the basis of race, color, ethnicity, religion, national origin, gender, ancestry, marital status, sexual orientation, age, veteran status, or handicap which does not preclude the person from practicing the program profession after graduation and successful completion of the licensure, certification, or registry.

Please note: A two-year LPN to BSN option is also available.

Curriculum Tracks

Full-Time Accelerated LPN to RN Track

The Accelerated LPN to RN track has daytime and evening courses. This track begins every year in the Summer semester.
